DG Millie's Memo....

Dear District 12N Lions,

First, I wish to Thank everyone who was able to attend the District 12N Organizational Meeting on July 18, 2020. Although we did miss those who were not able to attend, I understand and agree you should only do what you are comfortable with in these uncertain times. The Christmas in July collection for the Children's Hospitals in East Tennessee was a success again, so Thank you for that. It is so nice to see the Tennessee 12N clubs

join together for a common cause.

At the Organizational Meeting I did roll out the 2020-2021 incentive program designed to help encourage District 12N Lions to both read News & Views and participate in Lions Learning Opportunities. The program description is in this newsletter and available online at www.tnlions.org We are encouraging everyone to use the District Website and it is constantly

being updated as we obtain new information. The District Directory has recently been added to a password protected area under the Member Resources tab. Contact your Club President, Club Secretary or the Leadership Team for the password as we want to protect people's privacy while keeping everyone informed.

I have been able to visit a number of Clubs in July and hope to continue in person visits in August, so please contact me at gebgem@snet when your Club starts to meet in person. Due to the fluid changes brought on by Covid19, I am trying to visit those Clubs prior to joining Zoom meetings. I am greatly appreciative of the many ways that Clubs are continuing to "Serve" their Communities safely.

Sincerely, Millie
Burke DG

Paulette's Post

Did you know that all Lions clubs are able to participate in what is called the "Club Excellence Award" program? Your DG Team thought

it prudent to let you know what the criteria is for this program so that your club can strive to achieve the necessary goals throughout the Lions Year. Achieving the prestigious "Club Excellence Award" is proof that your club is strong!

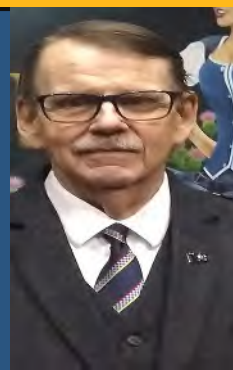

The criteria for this Award is:

1. Excel in community service with at least 3 service projects and donating to LCIF;
2. Achieve a net growth in membership, or Charter a new Lions/Leo or Branch Club and support member retention through member satisfaction;
3. Promote/publicize club's service activities improving public visibility through your communications;
4. Achieve organizational excellence (club in good standing, dues paid, key officers participate in various leadership events and continued work to improve your club operations).

The Club Excellence Award Application can be found on the District 12N Website at www.tnlions.org under the "Recognition" tab. The deadline for application submission is on the form. Please feel free to contact any of your DG Team or Zone Chairs should you have questions.

Yours in Lionism,

Paulette Bailey 1st VDG

Mike's Musings...

We are off on the adventure of the new Lions year! Adventure? How about Challenge? WE are going to step up this year and make our service even better! Each club, big and small, city and country, knows that this is the time that Lions need to do what we do best, Service.

White Cane charities fundraising is going to be challenging this year. Aside from the difficult economy, clubs may not be able to collect outside local businesses or conduct roadblocks. This year the economy and other factors due to isolation make the White Cane charities even more indispensable. Please ask your club to step up for service by donating and raising money for White Cane. Whatever you do we appreciate your help.

You can download a customizable copy of the White Cane Flyer from our district webpage, under the projects tab. Go to this link: <http://tnlions.org/projects/white-cane-days/>. This flyer lets people know which causes we support.

Our clubs are the difference makers, and I promise to help you with that. The DG Team will be visiting you to learn from you and to share what others are doing as we do each year. Don't hesitate to call me if you want to share a problem or an opportunity. My number is 865-332-6882.

With much concern for the general public and our fellow Lions the Clinton Lions Club has decided to cancel their 80th Anniversary Party August 8, 2020 at the Museum of Appalachia. Hopefully, sometime in the future we will be able to have it there. Arrangements have been made with both the Museum and the caterer, Buddy's BBQ, that they will hold our deposit and honor it at a later time.

Those that have paid in advance can get their money refunded or leave it in our special account and attend when we can get our celebration rescheduled.

TRADING PIN COMPETITION

Each year the Multiple District (Tennessee) creates a trading pin based on the location of the Lions Clubs International convention.

This year the convention in Singapore was cancelled for the first time in the history of Lions. That will make the trading pin created for 2020 a unique souvenir and memory of a most unusual year.

PDG Clare Crawford, the trading pin chairman for 12-N for 2020-2021 is holding a competition for designs for the next two years. Designs may be submitted electronically to LionClare1987@gmail.com or by hard copy to P.O. Box 444, Powell, TN 37849.

The following guidelines should be helpful:

Designs --

1. Should be in color
2. Should include Mr. Tennessee Lion -- fondly known as the Tennessee Cat by pin traders
3. Should be related to the location of the Lions International Convention
4. Can include the shape of the state of Tennessee but that is not necessary (that can be added later by the pin company)
5. Should provide a space for the Lions logo -- a simple circle can indicate the location, or the location can be determined by the pin production company
6. Wording isn't necessary as it will be added to the design by the pin company
7. Too much detail and colors that fade into other colors often don't do well for pins. Simple designs and broad areas of single color do well.

District 12N News.....

TRADING PIN COMPETITION, con't....

Designs should be based on the next two conventions --
2021 -- Montreal, Quebec, Canada
2022 -- New Delhi, India

If you want to think ahead, future conventions will be:

2023 -- Boston, Mass
2024 -- Melbourne, Australia
2025 -- Mexico City
2026 -- ATLANTA, GA.

Judging will be by the District Governor, Vice Governors and some of the pin traders.

Submissions need to be sent to Lion Clare by SEPTEMBER 15, 2020. Each winner will receive a VISA gift card. Winning entries will be submitted for consideration by the Vice Governors along with submissions from across the Multiple District.

Good luck!

District 12N Needs You—Are You Ready?

We have many Lions in our district who have demonstrated exceptional leadership qualities and skills in their clubs, and who have served or are serving on the District cabinet. We need a Lion to consider taking those leadership skills to the next level, enhance those skills, and step forward to fill the position of Second Vice-District Governor in July 2021. Your District is counting on you and appreciates your service!

We Grow Our Own Youth Leadership Program

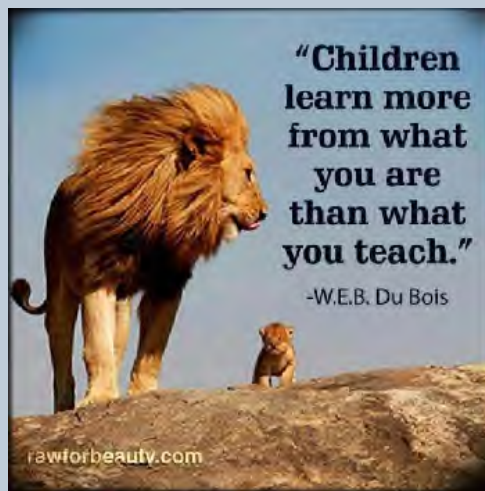

Since the 2012-2013 school year, Philadelphia Elementary School in Loudon County, Tennessee has had a LEO program. With the help of the Tellico Village Lions Club, the PES LEOs have been able to provide leadership experiences for fifteen seventh and eighth graders each school year.

During the year PES LEOs participate in serving their community at school as well as with the Tellico Village Lions Club. School service includes helping at special events as school ambassadors, helping at the school-wide fundraiser and hosting two dances for the middle schoolers. Also, individual members are expected to put in ten service hours on their own during the school year. This past school year PES LEOs put in over 400 hours to their community in volunteer service with several putting in over 40 hours individually!

As ambassadors, LEOs are there to offer help to visitors in our school: they offer directions and information when we have Open House nights or Parent Teacher conferences. For the special events, LEOs provide service and support to on-campus guests. The dances allow the club to provide a fun evening for the middle schoolers while learning about fundraising for a cause and budgeting. Helping at the Tellico Village Lions Club's fundraisers allow the LEOs the perfect opportunity to work with their sponsors.

As this new school year approaches, PES LEOs are looking for the best way to keep serving their community. Things may be different, but the PES LEOs' warrior attitude is still the same!

Leos Make A Difference

Leo groups in Jefferson County with Advisor Peggy Chandler of Dandridge Lions Club will be featured in a future issue of News and Views.

Thanks goes out to Rosie Sylvester and Beth Sandidge, Advisors to the Leo Program from the Tellico Village Lions Club for providing photos of their groups of Leos.

Lions Volunteer Blind Industries

Welcome to Project Paycheck

Since June 4, 2012, Lions Volunteer Blind Industries, Inc. has maintained an Annual Employment Scholarship Giving Program: called: **PROJECT PAYCHECK.**

While many of our blind workers meet or exceed expected job standards, there are others who strive daily to meet those goals in spite of disabilities. LVBI's "Project Paycheck" giving program helps those workers through an Employment Scholarship, which pays each worker A competitive wage as they learn to earn.

Lions Volunteer Blind Industries must remain competitive in the market place. However, we have accepted the added challenge of providing equality in employment opportunities for our blind citizens.

The cost of the Employment Scholarship program continues to rise. The cost of supporting this program is \$300,000. - \$500,000, depending on levels of blind employment. Approximately 25% annually coming from

sponsoring Lions Clubs and the balance of donations and our own operating income.

As a business partner with LVBI, you can take advantage of an opportunity to strengthen our relationship, and at the same time, take advantage of tax benefits through your contribution. Lions Volunteer Blind Industries is a 501 (C) 3 not-for-profit organization, and as such, all donations are tax-deductible. All donations into this fund go directly to eligible blind workers in the form of scholarship wages.

The products made by our blind and visually-impaired employees can be found in homes, colleges and universities, hotels and resorts, and on military bases both at home and abroad.

Begun in 1951 by the combined efforts of Lions Club Members, the National Industries for the Blind, the State of Tennessee, and other interested individuals, **Lions Volunteer Blind Industries** began our mission of providing blind people with **"The dignity of independence through employment."** Our goal is to help people who are blind to help themselves by achieving personal and economic independence.
