DG Brandon's Share

September proved to be yet another successful month for District 12-N, as we finished another month in positive growth for the year. We are the only District in Tennessee to have positive growth at all this year, let alone three months in a row! I'm so proud to have finished the quarter out strong, but we need your help to continue this mission of bringing new members into our association.

One highlight of this month was attending the USA/Canada Forum in Columbus, Ohio. Several Tennessee Lions attended the forum, and I was honored to be able to present about recruiting younger members. Two thousand Lions from across North America came together for a weekend of fun, fellowship, and learning. If you've not attended a forum before, I cannot stress enough what an incredible experience it is. The next forum is in Spokane, Washington - so make plans now!

Our District Cabinet meeting last week was well attended, and quite efficient. We completed all business in less than two hours, and that included having an incredible guest speaker in Penny Kleinschmidt and her speech about Childhood Cancer.

This past month, I attended the Knoxville Tri-County, West Knox, Maryville, and Morristown Morris Blvd. clubs. Each is so incredibly unique, and doing wonderful things in our community. At this point, I have visited nearly every club. A few clubs have been visited on my behalf by our wonderful Vice Governors, and a few still have yet to be visited. If I have not visited your club yet, please give me a call. However, even if I have already visited your club, please keep me posted on what your club is doing. I want to come back and continue to support!

In Lionism,

-Brandon

MEMO FROM MILLIE

Dear District 12-N Lions,

October 15, 2018 is National White Cane Safety Day and October is Blindness Awareness Month. As Lions, Helen Keller challenged us to be Knights Of the Blind. In that role our District 12N supports many services which enable the visually impaired to lead more active and productive lives. District 12N Charities is able to help fund these services through your Club's White Cane donations. If it were not for your support many of these programs would not be able to help the visually challenged individuals in Eastern Tennessee. These services help the visually and hearing impaired clients to learn skills, training and employment.

I know many clubs are currently doing collections at football games and road blocks. I and the people served by these donations truly appreciate your hard work. I recently toured the Lions Volunteer Blind Industries in Morristown and saw firsthand the facility and how important it was to the workers there. You may contact Anthony Nead President of the Morristown Morris Blvd Lions for a tour of the facility twnead@gmail.com While you are there visit the Mattress Showroom.

Some of the other programs we support through White Cane collections are The Tennessee School for the Blind, Tennessee School for the Deaf, East Tennessee Lions Eye Bank, Learning Ally (formerly Recording for the Blind and Dyslexic), Leader Dogs for the Blind, World Services for the Blind and Diabetes Awareness.

Thanks so Much for all that you do. I look forward to working with and getting to know everyone these next few years and beyond. I can be reached at gebgem@snet.net , 860-912-4171(Cell) or 860-326-0676 (Home). They are Connecticut exchanges, but I am not a telemarketer.

Lions Learning Retreat and District 12-N Convention

Fellow Lions,

Please share the attached registration forms with your clubs:

LLR (Lions Learning Retreat) January 18-20 in Manchester, TN at the Coffee County Convention Center. A great weekend of seminars, motivational speakers and downright good fellowship with Lions from across the state and beyond! Remember, 1st timer registration fees are reimbursed after the fact!

District 12N Convention March 8-10 in Gatlinburg at the River Terrace Conference Center and Resort. You DO NOT WANT TO MISS this Convention! Our very own Int'l President Gudrun Yngvadottir will be our keynote speaker. She is the 1st female President in our 100 year old organization and besides that she is amazing! Get your room reservations in EARLY as there are only 36 in the bldg where the activities will be and 10 are already gone! We encourage you to come for the entire weekend but you may also come in for just Saturday. The morning session will begin either at 9 or 10 - stay tuned for more information on that. We are going to have lots of fun, learning and leisure opportunities and lots of interesting things to see with a myriad of vendors participating.

Stayed tuned for more but we encourage all Lions to try and attend both of these awesome events!

Don't forget to file your IRS Form 990-N to preserve your club's Tax Exempt status

Most small tax-exempt organizations whose annual gross receipts are normally \$50,000 or less are required to electronically submit Form 990-N, also known as the e-Postcard, unless they choose to file a complete Form 990 or Form 990-EZ instead. Most Clubs in our district are 501 (c) (4) organizations under the IRS Tax Code and are exempt from federal income taxes so long as they file the required form 990 annually.

If you do not file your e-Postcard on time, the IRS will send you a reminder notice, however, club treasurers and secretaries often change frequently leaving the IRS with a bogus address. There is no penalty assessment for late filing the e-Postcard, but an organization that fails to file required e-Postcards (or information returns – Forms 990 or 990-EZ) for three consecutive years will **automatically lose its tax-exempt status**. Losing tax exempt status may require your club to pay back taxes on moneys your club took in even though it was used for administrative or charitable purposes.

The e-Postcard is due every year by the 15th day of the 5th month after the close of your tax year. For Lions Clubs the tax year ends June 30, therefore the tax filing date is November 15. It is a simple process if you have your club's tax number (EIN). You just attest that your club did not have revenues exceeding \$50,000.00 Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990EZ, must be submitted electronically. Online information for filing your Form 990-N can be found at

MESSAGE FROM YOUR GLOBAL LEADERSHIP TEAM

All clubs are encouraged to assign a Club Service Coordinator because it provides leadership opportunities and helps with retention. If your club does not want a separate Service Coordinator, the Club Secretary should be named as such on MyLCI since they most likely do your reporting anyway. Clubs are encouraged to engage youth on their projects and try to attend or send a representative to Zone and District events. Reporting Service Activities on MyLCI or MyLion are key to club success because others can see what the club is doing and may become interested in participating and/or joining the club. Please try to support the five (5) LCI Global initiatives of Vision, Hunger, Environment, Diabetes Awareness and Childhood Cancer. But more importantly try to meet the needs of your local communities first and report what service you do.

2018 Fall Forum Cancelled - Sorry to see that we had to cancel this year's Fall Forum seminars. Unfortunately, there were not enough participant registrations to warrant putting them on. Thanks again to those that did register – refunds are on their way. We believe there were just too many other activities going on the same day; i.e., Car Shows, Street fests and other club events that precluded many from registering. Hopefully we will select a better date next year.

Thank you from your Global Leadership Team Coordinator, Paulette Bailey.

WELCOME 12-N's NEWEST LIONS!
